

RIDING ARENA DUST ELIMINATOR

Stablecomfort™'s Dust-Free is a safe, non-toxic crystal that absorbs 150+ times itself in water... then gradually releases moisture back into the footing, rehydrating it & effectively eliminating dust while reducing the need to water the arena.

NON-TOXIC CRYSTAL GEL

One 25kg bag will cover up to 10,000 square feet

- + Re-hydrates with watering - single applications can last up to 3 years
- + Retains water & reduces watering by over 50%
- + Creates a dust free riding environment - healthier for both horse & rider
- + Less expensive than other applications
- + Binds to footing to provide more cushion & rebound
- + Exceptionally safe to use - Non-toxic & non-sodium based gel
